

1st Chalford Guides

1st Chalford Guides had a busy 2019 - we held our third Patrol Leaders & Seconders weekend in October, went on an Easter Egg Hunt in April and had a wonderful time at South Cerney trying our hands at either Paddleboarding or Rafting. We took a small unit to join in with the Girlguiding Gloucestershire County Camp to celebrate the 50th birthday of Deer Park, Cowley. We took Reggie & Faith (the bell tents) to some considerable tent envy from our neighbouring units! In February of this year we celebrated the achievement of 7 of our older Guides who achieved their Guide Gold Awards, the first of this new type of award to be achieved in the group. As one would expect from our girls there was a lot of food involved and we were wonderfully hosted by Yanto's Pancake house in Gloucester. The rest of this year has been a bit unusual and we have done our best to adapt to the new circumstances we've found ourselves in with the Lockdown in March and holding meetings online.
