

Bisley District Rainbows 2019 Report

The Rainbows have been on an extended break through the lockdown and have been sorry to say good bye to their leader Lion, who will be starting a new Guiding adventure in the September Term. The new Rainbow team includes Mary from 1st Chalford Guides and she is preparing to bring the Rainbows back to meeting together this autumn and is excited about helping them find out all about the new badges and have some outdoor adventures this autumn.
